C: VISUAL PRESENTATION RATING

Visual presentation refers to expressing ideas upon completion of industrial training using visual aids such as visual multimedia. Visual presentations such as pictures, graphs, tables, charts, and diagrams bring together the verbal and visual to add another dimension to the information and create a new path towards understanding its meaning and learning outcomes.

* To be filled by the **Faculty Supervisor**. Based on the elements in **Q.3 Section B**, the visual presentation fulfils the requirements of rating:-
