| Turnitin Report:                                                                                                                                              | Accept | Reject |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------|--------|--------|
| <b>Note: Project report is rejected if Turnitin report is more than 30%. Proceed with next evaluation ONLY if the percentage is less than or equal to 30%</b> |        |        |

\*Turnitin report MUST be included in the Final Report as appendix.

### Q1 Format & Layout (10 Marks x 0.05 Weightage) (LO 6, PO 10)

| 10                                                                                                      | 9 | 8 | 7                                                                                                     | 6 | 5 | 4                                                                                 | 3 | 2 | 1 |
|---------------------------------------------------------------------------------------------------------|---|---|-------------------------------------------------------------------------------------------------------|---|---|-----------------------------------------------------------------------------------|---|---|---|
| Excellent presentation of the technical report according to the format and layout set by the guideline. |   |   | Adequate presentation of the technical report according to the format and layout set by the guideline |   |   | Poor presentation of the technical report and does not comply with the guideline. |   |   |   |

### Q2 Readability (10 Marks x 0.05 Weightage) (LO 6, PO 10)

| 10                                                                                                          | 9 | 8 | 7                                                             | 6 | 5 | 4                                                                      | 3 | 2 | 1 |
|-------------------------------------------------------------------------------------------------------------|---|---|---------------------------------------------------------------|---|---|------------------------------------------------------------------------|---|---|---|
| Highly readable. The writing is clear and focused, has exceptional details with relevant figures to support |   |   | The readability is acceptable but the content is insufficient |   |   | Poorly written and constructed in term of contents, method and quality |   |   |   |

### Q3 Contents

#### Q3.1 Abstract (10 Marks x 0.1 Weightage) (LO 6, PO 10)

| 10                                                                               | 9 | 8 | 7                                                                                           | 6 | 5 | 4                                                                               | 3 | 2 | 1 |
|----------------------------------------------------------------------------------|---|---|---------------------------------------------------------------------------------------------|---|---|---------------------------------------------------------------------------------|---|---|---|
| Excellent in constructing the abstract which includes important project elements |   |   | Adequate construction of the abstract which includes some important elements of the project |   |   | Poor construction of the abstract which leaves out the important element of the |   |   |   |

#### Q3.2 Introduction (10 Marks x 0.1 Weightage) (LO 4, PO 7)

| 10                                                                                                      | 9 | 8 | 7                                                                                   | 6 | 5 | 4                                                                 | 3 | 2 | 1 |
|---------------------------------------------------------------------------------------------------------|---|---|-------------------------------------------------------------------------------------|---|---|-------------------------------------------------------------------|---|---|---|
| The writing is clear and focused, appropriate, has exceptional details with relevant figures to support |   |   | The writing is readable. However the content is inadequate to support comprehension |   |   | Insensible writing, partly irrelevant and difficult to comprehend |   |   |   |

#### Q3.3 Problem statement (10 Marks x 0.1 Weightage) (LO 4, PO 7)

| 10                                                         | 9 | 8 | 7                                                                  | 6 | 5 | 4                                                                          | 3 | 2 | 1 |
|------------------------------------------------------------|---|---|--------------------------------------------------------------------|---|---|----------------------------------------------------------------------------|---|---|---|
| Problem statement is excellent and covers all the elements |   |   | Problem statement is moderately described but some of the elements |   |   | Problem statement is poorly described and/or missing a lot of the elements |   |   |   |

**Q3.4 Objective** (10 Marks x 0.1 *Weightage*) (LO 1, PO 3)

|                                                               |   |   |                                                                         |   |   |   |                                                                    |   |   |
|---------------------------------------------------------------|---|---|-------------------------------------------------------------------------|---|---|---|--------------------------------------------------------------------|---|---|
| 10                                                            | 9 | 8 | 7                                                                       | 6 | 5 | 4 | 3                                                                  | 2 | 1 |
| Objective is excellently described and cover all the elements |   |   | Objective are sufficiently describe but some of the elements is missing |   |   |   | Objective are poorly describe and/or missing a lot of the elements |   |   |

**Q3.5 Scope** (10 Marks x 0.1 *Weightage*) (LO 1, PO 3)

|                                                           |   |   |                                                                     |   |   |   |                          |   |   |
|-----------------------------------------------------------|---|---|---------------------------------------------------------------------|---|---|---|--------------------------|---|---|
| 10                                                        | 9 | 8 | 7                                                                   | 6 | 5 | 4 | 3                        | 2 | 1 |
| Scope is excellently described and cover all the elements |   |   | Scope are sufficiently describe but some of the elements is missing |   |   |   | Scope is poorly describe |   |   |

**Q3.6 Literature Background** (10 Marks x 0.1 *Weightage*) (LO 8, PO 12)

|                                                                            |   |   |                                                                                   |   |   |   |                                          |   |   |
|----------------------------------------------------------------------------|---|---|-----------------------------------------------------------------------------------|---|---|---|------------------------------------------|---|---|
| 10                                                                         | 9 | 8 | 7                                                                                 | 6 | 5 | 4 | 3                                        | 2 | 1 |
| Literature Background is excellently described and covers all the elements |   |   | Literature Background is moderately described but some of the elements is missing |   |   |   | Literature Background is poorly describe |   |   |

**Q3.7 Methodology / Experimental Detail** (10 Marks x 0.15 *Weightage*) (LO 2, PO 4)

|                                                                                              |   |   |                                                                                                         |   |   |   |                                                          |   |   |
|----------------------------------------------------------------------------------------------|---|---|---------------------------------------------------------------------------------------------------------|---|---|---|----------------------------------------------------------|---|---|
| 10                                                                                           | 9 | 8 | 7                                                                                                       | 6 | 5 | 4 | 3                                                        | 2 | 1 |
| Methodology and experimental details are excellently reported and covers all of the elements |   |   | Methodology and experimental details are moderately reported and/or but some of the elements is missing |   |   |   | Methodology and experimental details are poorly reported |   |   |

**Q3.8 Result** (10 Marks x 0.1 *Weightage*) (LO 1, PO 3)

|                          |   |   |                                |   |   |   |                            |   |   |
|--------------------------|---|---|--------------------------------|---|---|---|----------------------------|---|---|
| 10                       | 9 | 8 | 7                              | 6 | 5 | 4 | 3                          | 2 | 1 |
| Result is well presented |   |   | Result is moderately presented |   |   |   | Result is poorly presented |   |   |

**Q3.9 Conclusion and Reference** (10 Marks x 0.05 *Weightage*) (LO 6, PO 10)

|                                                                                                 |   |   |                                                                                                                     |   |   |   |                                                                                          |   |   |
|-------------------------------------------------------------------------------------------------|---|---|---------------------------------------------------------------------------------------------------------------------|---|---|---|------------------------------------------------------------------------------------------|---|---|
| 10                                                                                              | 9 | 8 | 7                                                                                                                   | 6 | 5 | 4 | 3                                                                                        | 2 | 1 |
| The project is excellently concluded with good reference sources and correct referencing format |   |   | The project is moderately concluded but may have insufficient reference sources and/or incorrect referencing format |   |   |   | The project is poorly concluded. Poor reference sources and incorrect referencing format |   |   |
