STUDENT DECLARATION FORM

I _____

Matrix No. _____ and NRIC/Passport No. _____

_____ hereby declare that in pursuing my
 degree _____

I will undergo FYP I and FYP II (Subject Code: BELU4972 and BELU4894)
 as a prerequisite subject in my Bachelor Program.

I hereby agree with the University that:-

(i) I shall perform all of my obligations under this accord at my own risk and releases, to the fullest extent permitted by law, the University from all claims and demands of every kind resulting from any accident, damage, injury or death arising from the carrying out of the Project and the University shall have no responsibility or liability whatsoever in relation to such accident, damage, injury or death;

(ii) I shall indemnify and keep indemnified the University from and against all actions, suits, claim or demands, proceedings, losses, damages, compensation, costs (including legal cost), charges and expenses whatsoever to which the University shall or may be or become liable in respect of or arising from the negligent use, misuse or abuse of the Project "Results" by any parties whosoever.

I shall further indemnify, protect and defend the University and its agents and servants from and against all actions, claims and liabilities arising out of acts done in the performance of the Project, including the use or violation of any copyright works or literary property or patented invention, article or appliances.

I fully agreed and understand that:-

- (a) The University shall claim or assert any worldwide right, interest, title or any IP created, generated, or exploited by the students, in certain circumstances as follows:
- (1) The IP creates, generates or exploits by a team established by the university and the students is only one of the members in the created team.
 - (2) The IP creation, generation or exploitation is used or supported by the university's employees, materials, facilities, funds, or any kind of resources provided and obtained by or through the university per see.
 - (3) The IP creation, generation or exploitation has resulted, due to the use of preexisting or current IP owned by the University.

- (b) Where the University owns IP created from activities involving students, the University will ensure that such ownership does not interfere with the assessment of the student's academic performance or grant or award. The University reserves the right to place such restrictions or rules on the disclosure, dissemination, or other dealings with respect to any work containing such IP for such period as may be appropriate for the purposes of IP protection.

I declare that all information stated in this declaration form is true and correct.

I understand that at any time the information or part thereof stated in this declaration is found contrary to facts, the University has rights and the authority to take the necessary action against me.
