

UNIVERSITI TEKNIKAL MALAYSIA MELAKA
Faculty of Electrical Technology and Engineering (FTKE)
POSTGRADUATE RESEARCH SEMINAR
SUPERVISOR EVALUATION FORM

STUDENT DETAILS: (To be filled by the student)

Name : _____ Matrix No : _____

Contact number : _____ Date : _____

Research Title : _____

Programme : MEKA / MEKM / PEKA / DEng Full Time (Sem): MSc: __/4 PhD: __/6

Attendance : Present / Absent Part Time (Sem): MSc: __/8 PhD: __/12

Reason (if absent) : _____

No	Item	Score (Please Circle the Score)										PLO	Score	
		Weak					Good			Excellent				
1.0	Introduction													
1.1	Background Study/ Review	0	1	2	3	4	5	6	7	8	9	10	PLO7	
		Uncertainty about related issues or an inability to connect ideas effectively					A solid grasp of basic knowledge and a clear ability to connect and relate ideas effectively			Comprehensive understanding and an insightful relationship between references.				
1.2	Problem Statement	0	1	2	3	4	5	6	7	8	9	10	PLO3	
		Confusing, or relevant but with doubt					Clear and relevant, but not well described			Well written, clear and well described with precise references				
2.0	Methodology	0	1	2	3	4	5	6	7	8	9	10	PLO2	
		Not defined or vaguely defined with little relation.					Defined and related to the project			Clear flow of work, defined steps and relates precisely to the project				
3.0	Result	0	1	2	3	4	5	6	7	8	9	10	PLO2	
		Very limited or insufficient results					Results obtained described with some relationship to objectives			Results obtained clearly reveal meaningful relationship to the objectives				
TOTAL														/40

1. Has the content of this research paper been published in any academic publication?

☐ Yes

☐ No

2. Select the intended publication platform for this research paper:

☐ ERA-indexed journal

☐ Scopus-indexed journal

☐ e-TechVolt (academic publication by the FTKE)

☐ Other: _____
